

The farmers of Hemlock Hill Farm CSA hereby pledge to responsibly manage the funds and resources of your CSA investments and to serve the membership by applying their farming knowledge and efforts to the production of farm fresh meats to be distributed fairly amongst the invested CSA membership. Share may include eggs.

I understand that as a CSA Member with Hemlock Hill Farm CSA, I am an investor, a shareholder in both the bounty and the financial risks of the farming season. I understand that nature ultimately decides what I will receive and when I will receive it. I understand that my membership will be completed only when I have made the required financial investment.

I understand that Hemlock Hill Farm CSA does not offer refunds for CSA member investment; although memberships may be transferred if I am unable or unwilling to continue my subscription and I understand that I am responsible for locating someone to buy out my share. Hemlock Hill Farm CSA must give final approval prior to such a transfer of membership.

I understand that I am responsible for pickup of my share at Hemlock Hill Farm and Market every week. If I am unable to do so, I may designate another person to pick up for me or contact Hemlock Hill Farm to postpone or cancel your pickup.

Thank you for joining Hemlock Hill Farm CSA. We're glad to have you aboard.

# 2020 Meat Shares

CSA

*"You, as a food buyer, have the distinct privilege of proactively participating in shaping the world your children will inherit."*

**Joel Salatin**

## What is a CSA?

Community Supported Agriculture (CSA)

### Here are the basics:

Farmer provides a share of meat. Typically, the share consists of various cuts of Beef, Pork, Lamb & Poultry all products grown on our farm. Participants purchase a share and in return receive farm fresh products every month.

### Our Practice

Hemlock Hill Farm takes great pride in growing free range, anti-biotic free, hormone free, pasture raised meats and eggs. We have been farming in Westchester for 80 years. We work sustainably with the land and raise our animals humanly. We grow black angus beef, yorkshire hogs, red heritage/ barred rock chickens and dorset lambs. The cattle are grass fed and brewers grain fed. Our sheep and chickens have an all-natural diet with pasture to graze and grains grown in the tri-state area. All animals are processed here on the farm in our USDA facility.

## How it works

In your share, you will receive a variety of farm fresh pasture raised meats.

We will offer shares  
April, May & June

Pick up once a month on the first Friday of each month.

Please bring a bag to receive your share.

## Get started right away

Please mail this form filled out with payment to the below address or drop off form and payment at the farm.

### Contact Us

Hemlock Hill Farm  
Trish Vasta – Garden Manager  
500 Croton Ave  
Cortlandt Manor, NY 10567
